Each part will be tagged with appropriate part numbers for ease of identification. Acceptance of the parts will take place after a complete parts package is presented to the Government. The parts will become Government Furnished Material (GFM).

The contractor will package the components for storage. The parts are to be stored at the Ingersoll Facility, 707 Fulton Ave., Rockford, IL 61103. The contractor will maintain accountability for the parts and store them in a separate area. The parts will be marked for the Egyptian Coproduction Program. The parts will be stored until needed or for up to three years. After three years, the contractor will request disposition instructions for any parts remaining in the package.
